President's Message

Hello OSAP Members!

It is an honor to serve as your President for another term. Hopefully this year will be an active and successful year for OSAP.

Membership growth and retention continues to be very important to the future of OSAP and NAP. Key to this is to spread the word about parliamentary procedure and the availability of OSAP members to give workshops to the public and to judge and mentor students. In keeping with this concept, your President along with members Mary Davidson, RP, of Oklahoma City and Virginia McComas of Lawton staffed an OSAP exhibit booth at the State PTA Convention on July 24. There were approximately 500 PTA members attending the PTA Convention, and we visited with many of the attendees. The professionally designed OSAP brochures were included in each of the 500 PTA attendee's "goodie" bag. NAP membership brochures were also handed out as people passed by the booth. Copies of *Roberts Rules in Brief*, and *Roberts Rules of Order, 10th Edition* were available for sale. Attendees signed our guest book and provided us with their contact information in order to be informed of our next OSAP workshop.

Congratulations to Ron Stinson., PRP, for his election to NAP President for the next biennium, and congratulations to Ella Carlson, PRP, for her election to District 6 Director for another term. We are fortunate to have members of this caliber represent us.

The annual OSAP convention and educational workshop in June 2009 were very successful, judging from the positive evaluations received. Thanks to everyone who helped with this. Thirty-five people attended the educational workshop on Friday, and twenty-five attended the annual convention on Saturday. Thanks go to the following presenters for workshops on Friday and/or Saturday: Joan Blankenship, PRP; Virginia McComas; Mary Davidson, RP; W. Craig Henry, PRP;

Gloria Counselman; George Counselman; Janet Wilson, M.D., PRP; and Ron Stinson, PRP. There were many favorable comments about the Lunch n' Learn session on Friday, and there have been inquiries as to future workshops to be given by OSAP. Georgie Rasco, OKC Neighborhood Alliance, served as the convention luncheon speaker on Saturday.

The OSAP Board of Directors hit the ground running this term. Our first meeting was held September 26, and our second on December 5, at the Neighborhood Alliance Building in OKC. In keeping with the National theme, "*Effective Meeting Management to the World*", the OSAP Board adopted the following theme for 2009-2010, "*Connecting to the World: Effective Meetings for Oklahoma*". We settled on the dates of June 18-19 for the educational workshop and convention to be held at the Wyndham Inn hotel again this year. The Board also agreed to request Steve Glanstein, PRP, NAP Treasurer, as our national representative, and we are very excited that this has been approved by NAP. Because of his vast experience with Home Owner Associations in Hawaii, our marketing push this year will be in the area of homeowner associations and neighborhood associations. The Saturday afternoon workshop at the convention will be geared to that. The Friday workshop will have a tie-in but will be devoted mostly to more basic parliamentary procedure. The goal this year is to get 45-50 attendees for both Friday and Saturday.

Another exciting bit of news is that the Board agreed to put in a bid for Oklahoma (with help from members of the other nearby states) to host the 2014 National Training Conference in Oklahoma City. This is a big undertaking so hopefully all of our members will join in to help make this a memorable event. Time goes by so fast, so put this on your list and plan to attend.

Let's make 2010 our most successful year ever!

Rod Davidson, PRP, OSAP President

- *"An association shall adopt NAP's fiscal year as prescribed in Article XIV, Section 3, as its own fiscal year."*
- *"A unit shall adopt NAP's fiscal year as prescribed in Article XIV, Section 3, as its own fiscal year."*

"It is difficult to find another branch of knowledge where a small amount of study produces such great results in increased efficiency in a country where the people rule, as in parliamentary law."

A ParliPro Moment

QUESTION:

Can a motion adopted at a General Meeting be rescinded at a Board of Directors meeting of the same organization?

ANSWER:

Refer to *Robert's Rules of Order Newly Revised (RONR)*, 10th edition, p. 466:

"In any event, no action of the board can conflict with any action taken by the assembly of the society; and except in matters placed by the bylaws exclusively under the control of the board, the society's assembly can give the board instructions which it must carry out, and can countermand any action of the board if it is not too late (as it would be, for example, when a contract has already been made)."

Call for Officer Nominations

The OSAP bylaws provide that Units or members of OSAP may, no less than 90 days preceding the Convention, present to the Nominating Committee names of proposed candidates for office, together with qualifications and consent form. The committee will consider all recommendations.

Elections will be held at the 2010 annual OSAP convention on June 19 for the offices of President, Vice-President, Secretary, and Treasurer. Nominations should be submitted as soon as possible, along with qualifications and consent form via email to:
